**REVOCATION OF
FORMER POWERS OF ATTORNEY AND
NEW POWER OF ATTORNEY BY ASSIGNEE OF ENTIRE INTEREST**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The Governors of the University of Alberta (hereinafter the "assignee") is the assignee of record of the entire interest of the above-identified U.S. patent application, and has a place of business at 222 Campus Tower, 8625 - 112 Street, Edmonton, Alberta, Canada, T6G 2E1.

Pursuant to 37 C.F.R. § 3.73(b), the undersigned has reviewed evidentiary documents establishing a chain of title from the inventor(s) to the assignee and, to the best of the undersigned's knowledge and belief, certifies that title is in the assignee. In an assignment dated March 5, 1997, the inventor assigned all rights and interest in the invention and in Canadian Patent Application No. 2,173,272 and any patent application based on or derived from this application to Hyal Pharmaceutical Corporation (copy enclosed). The instant application is the U.S. National Phase of PCT/CA97/00172, which claims priority to Canadian Patent Application No. 2,173,272. Thus, the Assignment from the inventor to Hyal Pharmaceutical Corporation from Canadian Patent Application No. 2,173,272 also applies to the instant application.

In re Appln. of Pilarski
Appln. No. 09/142,557

A bill of sale that transfers title from PricewaterhouseCoopers, Inc. (as receiver for Hyal Pharmaceutical Corporation) to SkyePharma, PLC was recorded in the U.S. Patent and Trademark Office on February 16, 2001, at Reel 011497, Frame 0288. An assignment from SkyePharma PLC to Jagotec AG was recorded in the U.S. Patent and Trademark Office on February 16, 2001, at Reel 011497, Frame 0879. A copy of an assignment from Jagotec AG to The Governors of the University of Alberta is attached hereto and was submitted for recordation in the U.S. Patent and Trademark Office on or about August 28, 2001.

The assignee hereby revokes all previously given powers of attorney and appoints the following as its attorneys to prosecute and transact all business in the U.S. Patent and Trademark Office connected with the application, including the following: to receive all documents issued by the U.S. Patent and Trademark Office based thereon; to file continuation, continuation-in-part and divisional applications based thereon; to pay any and all fees, including maintenance fees for any resulting patent; and to file for reissues and extensions and to request reexamination of any resulting patent. All such powers are to be exercised separately or collectively.

Please recognize Leydig, Voit, & Mayer, Ltd. as Associate Attorneys in this case:

(E) Patents and patent applications relating to the Invention are set out in the attached Schedule A to this assignment; and

(F) it is the wish of the parties hereto that the Application should be prosecuted in the name of the Assignee and that any corresponding applications filed elsewhere relating to the Invention be filed in the name of the Assignee and that any patent granted on the Application or the corresponding applications shall vest in the Assignee.

NOW THIS ASSIGNMENT WITNESSETH

1) Insofar as the Assignor is the owner of any right to and/or interest in the Invention and is entitled to the benefit of the Application and is entitled to make application for patent or similar protection for the Invention in all countries of the world and to claim priority under the International Convention, IN CONSIDERATION OF the sum of one pound sterling (£1) receipt of which the Assignor hereby acknowledges the Assignor hereby assigns with full title guarantee to the Assignee:

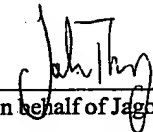

(i) the Invention

(ii) the benefit of the Application, all right, title and interest therein and all the rights, powers, liberties and immunities belonging thereto or accrued therefrom (including the right to apply for or obtain corresponding patents for the Invention in any country of the world together with the right to claim priority of the Applications and each of them under the International Convention or other patent treaty or convention) to the intent that any patent granted pursuant to the Application or any of them or any other application corresponding to the Application shall be in the name of and vested in the Assignee to HOLD unto the Assignee absolutely; and

2) This Assignment shall be construed in all respects in accordance with English law.

IN WITNESS whereof the parties hereto have caused this Assignment to be duly executed on the day and year first above written.
